

STUDENT WELLBEING AND ENGAGEMENT POLICY

Help for non-English speakers

If you need help to understand the information in this policy please contact Warrnambool Primary School.

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Warrnambool Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School profile

Warrnambool Primary School is a highly regarded Government School, which has served the community for 140 years.

We are committed to building a vibrant, inclusive, lively school community where we live our school vision and values.

‘Warrnambool Primary School provides inclusive education, nurturing students to flourish and reach their academic, social and emotional potential.’ Our values of Inclusion, Respect and Active Learning help drive successful school strategies that meet the needs of all our students.

We invite all our parents to become active members of the Warrnambool Primary school community by helping out in our classrooms, accompanying our students on excursions. Parents can become involved in the Warrnambool Primary Parents Association (WPPA), School Council or one of its Sub – Committees. We invite all our parents to become active participants in developing WPS as a dynamic, caring learning environment.

We are working towards becoming a more sustainable school and involving our students in developing a sustainable schoolyard.

Warrnambool Primary School has partnered with TheirCare to provide quality Before and After School Care. The Before and After School Care service will provide parents with greater flexibility in their working day.

2. School values, philosophy and vision

Warrnambool Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

WPS provides an inclusive education, nurturing students to flourish and reach their academic, social and emotional potential.

Our values of **Inclusion, Respect and Active Learning** help drive successful school strategies that meet the needs of all our students.

3. Engagement strategies

Universal

At WPS we use the following strategies to promote positive behaviours and inclusion:

- *high and consistent expectations of all staff, students and parents and carers*
- *prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing*
- *creating a culture that is inclusive, engaging and supportive*
- *welcoming all parents/carers and being responsive to them as partners in learning*
- *analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data and school level assessment data*
- *teachers at Warrnambool Primary School use an instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons*
- *teachers at Warrnambool Primary School adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching*

- *our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community*
- *carefully planned transition programs to support students moving into different stages of their schooling*
- *positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents*
- *monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level*
- *students have the opportunity to contribute to and provide feedback on decisions about school operations through the Student Representative Council and other forums including year group meetings. Students are also encouraged to speak with their teachers, Year Level Coordinator, Assistant Principal and Principal whenever they have any questions or concerns*
- *create opportunities for cross—age connections amongst students through school plays, athletics and whole school events*
- *all students are welcome to self-refer through the classroom teacher to the Student Wellbeing Officer, Wellbeing Teacher, Assistant Principal and Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an 'open door' policy where students and staff are partners in learning*
- *we engage in school wide positive behaviour support with our staff and students, which includes programs such as:*
 - *Resilience, Rights and Respectful Relationships*
 - *Big Life Foot Steps*
 - *Restorative Practices*
 - *Nurture Room for Foundation to Year 2 students*

 - *Student Support Services*
 - *Appropriate external supports such as council based youth and family services, other allied health professionals, headspace, child and adolescent mental health services or DFFH*
 - *Re-engagement programs such as Navigator*

Where necessary the school will support the student's family to engage by:

- *being responsive and sensitive to changes in the student's circumstances and health and wellbeing*
- *collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student*
- *monitoring individual student attendance and developing an Attendance Improvement Plans in collaboration with the student and their family*
- *running regular Student Support Group meetings for all students:*
 - *with a disability*
 - *in Out of Home Care*
 - *and with other complex needs that require ongoing support and monitoring.*

4. Identifying students in need of support

Warrnambool Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Warrnambool Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- *personal, health and learning information gathered upon enrolment and while the student is enrolled*
- *attendance records*
- *academic performance*
- *observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation*
- *attendance, detention and suspension data*
- *engagement with families*

- *self-referrals or referrals from peers*

5. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

6. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Warrnambool Primary School's Anti Bullying policy and through the Wellbeing audit.

When a student acts in breach of the behaviour standards of our school community, Warrnambool Primary School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- *warning a student that their behaviour is inappropriate*
- *teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour*
- *withdrawal of privileges*
- *referral to the Assistant Principal or Principal*

- *restorative practices*
- *detentions*
- *behaviour reviews*
- *suspension*
- *expulsion*

Suspension and expulsion are measures of last resort and may only be used in particular situations consistent with Department policy, available at:

<http://www.education.vic.gov.au/school/principals/spag/participation/pages/engagement.aspx>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training. The Principal of Warrnambool Primary School is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited in our school and will not be used in any circumstance.

7. Engaging with families

Warrnambool Primary values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website
- maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy.
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with relevant homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, Student Profile Meetings and develop individual plans for students.

8. Evaluation

Warrnambool Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21

- Individual student behaviour chronicles on Compass
